Who We Are

We are friendly people of all ages who love the Kinderhook Memorial Library and recognize its importance to our community. Friends give a voice to the message that accessible library services are a necessity in our community.

What We Do

We share our time and talents to enhance the programs and services of the library. Our volunteer services free up tax dollars for other library needs. We also:

- Raise funds to supplement library resources
- Plan and sponsor special programs and events
- Promote the use and enjoyment of the library
- Lend our hands to help maintain the library and the library grounds
- Assist with library mailings

Want to Make a Difference at KML?

Join now! Complete this membership form and send it in with your check made payable to the Friends of the Kinderhook Memorial Library.

Types of Membership
