FROM THE CAMPAIGN STEERING COMMITTEE

SPRING BRINGS GROWTH IN LEAPS & BOUNDS!

We hope you are ready for some terrific news! Completing the Reading Porch in December has truly inspired volunteers, staff, and donors to move us rapidly forward toward our major Phase 2 Expansion. We are now fully committed to beginning construction of a 3,400 square foot addition this coming fall. Yes, it is with a tremendous sense of joy and confidence that we state: 2017 is the year we will break ground!

We are now fully committed to beginning construction of a 3,400 square foot addition this coming fall.

The full budget for Phase 2 expansion is \$1.72 million. We have our terrific design and construction team in place working diligently

on developing construction documents, as our Campaign Steering Committee continues to make strong progress on raising the final \$580,000 needed to fully fund the expansion.

Of particular note, the Hudson River Bank & Trust Foundation has awarded KML a \$75,000 grant - \$15,000 a year for 5 years. This wonderful pledge represents a significant commitment for the Foundation, which has been a strong supporter of libraries throughout Columbia County for the past several years. "We are deeply grateful to the Foundation and its Trustees for this commitment," said Board President Gary Spielmann. "While the financial institution that launched the HRB&T Foundation no longer exists, their commitment to the community lives on through the tremendous work the Foundation does each year. With this grant we now have less than \$500,000 to raise."

The Steering Committee is now developing plans to open up the fund drive to the entire community. "We are planning an official launch celebration in late April or early May where we will unveil a campaign thermometer and follow that with an invitation

National Library Week April 9-15: Libraries Transform & Food for Fines!

This week, the Kinderhook Memorial Library joins libraries in schools, campuses, and communities nationwide in celebrating National Library week, and this year's theme "Because of you, libraries transform." To show our appreciation for our wonderful patrons, join us for complimentary coffee, tea, and bagels on Thursday, April 13 at 10am.

To show our appreciation for our fabulous community, and help to transform it as well, we are again partnering with the Valatie Food Pantry to accept food for fines this week! For every non-perishable food item you bring in, we'll waive \$1 of fines for items owned by our library. (Unfortunately, we cannot waive fines owed for items belonging to other libraries). Of course you're welcome to donate whether you have fines or not. The pantry is

to everyone in Kinderhook and Stuyvesant to give toward the final goal," said campaign Co-chair Marian Sole. "We also believe it is important to recognize every donor, and know that giving five or ten thousand dollars is beyond the reach of many. Everyone's generosity is meaningful and so we are designing a new program that will recognize more modest contributions in a permanent way, such as etched bricks in the garden or a walkway on the side or in front of the Library." Stay tuned for more on this in the next newsletter.

While the ultimate goal is now in sight, there remains work to be done. If you have not yet made a multi-year pledge (up to five years), we urge you to meet with one of our Campaign Committee members to discuss what is right for you. Co-alescing a family commitment around a naming opportunity (e.g. Computer Workstations, Seating Areas, the Young Adult Room, etc.) to honor the family name is a wonderful gift that you can give to yourselves and the community. Please join with us to bring this campaign to a successful conclusion, so that we may bring you the library facility that our community needs and deserves. Thank you for your participation and if you would like to discuss a gift please contact the Reading the Past, Writing the Future campaign office at (518) 758-6192.

The history of the cemetery and how it came to be preserved will be the topic of a presentation by the Village Historian Ruth Piwonka and local volunteers who worked on this project. A brief meeting of the Friends of the Kinderhook Memorial Library will precede the program and refreshments will be served. All are welcome!

Friends of the Kinderhook Library Valuing Friends Volunteers - Now More than Ever!

As our Library's Capital Campaign moves into its public phase, the Friends of the Kinderhook Memorial Library is eager to do its part to help reach the goal of a building expansion to meet the needs of our community. Our role as advocates, encouraging others to support this effort, is no less important than the activities we plan and execute to raise funds for our own financial gift to the project. The success of our book sales is more important than ever, and new fundraising ideas and the volunteers to implement them are greatly needed. By taking a more active role in the Friends you can help guarantee our ability to support the Library's day-to-day services as well as its success at this critical juncture in the move toward expansion. A call will be going out shortly for help with our book sale on the weekend of June 10-11, and I urge you to respond. And if you have an idea for a possible

Friends fundraiser, please e-mail me at morland6@gmail.com. Your ideas and your help are needed now more than ever.

Speaking of volunteers, we are thrilled that our long-time Friends volunteer Warren Applegate has been honored through an anonymous gift of \$1,500 to the Library in recognition of his many years of dedicated service. Congratulations, Warren, and thank you!

We hope to see many of you at our program on Saturday, May 6 at 4 pm when Village Historian Ruth Piwonka will lead a panel to provide the fascinating story behind the rededication of Kinderhook's Persons of Color Cemetery. A very brief Friends General Membership meeting will precede the program, and we'll share some delicious refreshments provided by – who else? – our volunteers!

Attention Teens and Tweens!

Battle of the Books: We Want YOU!

Wednesday, June 14, 5pm

If you like books and the thrill of competition, then consider

joining one of the Library's Battle of the Books teams! Interested middle- and high-school students should bring a parent to our informational meeting. All those entering grades 6-9 are eligible to participate on our middle school team, and all those entering grades 9-12 are able to participate on our high school team. Battle of the Books (BoB) is a Jeopardy-style trivia competition that involves teens and tweens reading selected books and "battling" other teams from all over the Mid-Hudson Library System for the title of Champion. BoB is a wonderful opportunity for young people to read great books and make new friends. The teams will meet weekly over the summer to discuss books and run mock battles in preparation for the Regional Battle in September.

We will be reading the following books for Middle School BoB:

- *I Am Princess X* by Cherie Priest
- *A Tale Dark and Grimm* by Adam Gidwitz
- *The War That Saved My Life* by Kimberly Brubaker Bradley
- *The Heartbreak Messenger* by Alexander Vance
- *The Future of Us* by Jay Asher
- *The Lightning Queen* by Laura Resau
- *Bruiser* by Neal Shusterman
- *The Roar* by Emma Clayton
