F.A.Q.s

Is the building open? At this time, the building is closed to the public. Keep checking our website for more info!

Is curbside safe? The safety of our patrons and staff is our top priority! All items will be quarantined for 72 hours before entering circulation, and masks and gloves will be worn by all Library staff.

Can I fax or make copies? Yes! Call us ahead and we will arrange the best way to help you. We can also print tax forms if needed.

Can we use the computers? Even though the building is closed, you can borrow a laptop for up to 1 week! WiFi is also available 24/7 outside of the Library.

Thank you for your patience as we navigate this unique and trying time together!
