

Kinderhook Memorial Library

Community Button Design Contest!

Name: _____ Age Category: _____

We want to see what libraries and community mean to you! Below is a template you can use to size your button submissions. You can download and print the template at home or pick one up from the library! Please only use the inner circle for your design or your artwork might get cut off. Once you've completed it on one of the blank templates, you can scan and email it to the library or drop it off. We will announce winners for Children, Teen, and Adult categories. Winner buttons will be pressed and given away to show our appreciation for our wonderful patrons! Deadline to submit is October 25.
