BOOK REPORT

UNDERWRITTEN BY A GENEROUS DONATION FROM THE FRIENDS OF THE LIBRARY

FREE KNOWLEDGE IN A PUBLIC PLACE ❁ VOLUME XIII ISSUE II SPRING 2021 ❁ KINDERHOOKLIBRARY.ORG

FROM THE LIBRARY DIRECTOR

FOND FAREWELLS

Our Library has three long-term Trustees who stepped down at the end of their terms in March. I wanted to take a minute to thank them for serving us so well and so long.

Bruce Charbonneau is one of our longest serving Board members, and he's worn almost every hat we have to offer! He joined our Board in 2000, meaning he's been working with the Library for 21 years. He was President from 2004-2008, he's been Treasurer, and he was the Chair of our Building Construction Committee, which was a full-time job on its own. Bruce is modest and quiet, but has been absolutely vital to the Library and to me. Bruce is always available when we need him, and I'm so thankful for all that he's done for us, and all the time he's given. He deserves a huge round of applause from us all.

Dot Balko could rightly be called the heart of our group. Joining the Board in 2006, she's been the Chair of the Building & Grounds Committee and the Board Secretary during her 15 years here. As a retired librarian, she's always offered

such an amazing understanding of what a library truly is. She is cheerleader, work-horse, therapist, and friend to me and everyone at the Library. Her baked goods at clean up days, her early hours watering and mulching, and her attention to detail meant the Library always looked its best and no finishing touch was ever missing. Her kind and generous nature often means she downplays her role in our organization. Please take a moment to recognize and thank her for the endless list of tasks she did for no reward other than a job well done.

George Mayer joined our Board in 2013, the year after I became Director. His sense of humor, candor, and direct nature have made him an absolute pleasure to work with and be around. The staff have all grown very attached to George, and we always look forward to a chance to talk with him and have a laugh. I remember when he first joined the Board and told me that he wasn't sure he had been on long enough to speak up at meetings. I assured him we needed his voice, and I've never been more right about anything. George has served on many committees, and also Chaired the Audit Committee, a completely thankless

task. He's always among the first to volunteer for anything we need, and he'll be missed more than he can imagine. When you see George, give him a pandemic-safe elbow bump to thank him for all he brought to our organization.

They are a fabulous group who we're all going to miss dearly, but who have also earned a rest after all of the work they've selflessly done on our behalf. In the words of A.A. Milne, "How lucky I am to have something that makes saying goodbye so hard."

—AnnaLee Dragon, Library Director

Many, many thanks to our local Valatie Hannaford for making a very generous donation of \$2,000 to our Library in celebration of their grand re-opening!

Make a Pen-Friend!

Curbside Pick-Up.

Social distancing

doesn't have to mean social

isolation. While things are

improving, we're still being advised to

keep our social gatherings to a minimum, and many of us miss our interactions with others. If you're tired of technology, why not go the old-fashioned route of letter writing! If you're interested in having a pen-friend to swap letters with, register by calling the Library. We'll match you up with a local buddy, and even provide stationary and some stamps for you to pick up curbside! Let's make checking the mail a fun activity instead of a chore!

Book Talks with AnnaLee

Online Video. Every Monday. If you're looking for your next great read, or just miss talking books with our Librarians, then these weekly book talk videos are for you! Watch each Monday, or pick a day of your choosing. The videos are available whenever works for your schedule.

Happy Thoughts

Are you in need of a pick-me-up? We've got you covered! Stop by the Library and look for the Happy Thoughts Box on the fence, where you can pick out a happy/inspirational note written by our staff. It's our way of thanking you all for the joy you bring us, and helping to pay it forward by spreading the love.

To show our thanks to our fabulous community, we are again partnering with the Valatie Food Pantry to accept food donations this week! Bring non-perishable food items to drop in our donation box by the front door and help those in our community dealing with food scarcity in these difficult times.

Meatless Mondays Returns

Online. Saturday, May 15 – Wednesday, June 30. As a joint venture, the Library and the Village of Kinderhook Climate Smart Task Force will kick off a Meatless Monday campaign in May. Meatless Monday is a health initiative which encourages people to go meatless one day a week for their own health and the health of the planet. Last year, 77 people signed up for this local campaign and saved the equivalent of 1.3 metric tons of carbon dioxide emissions in a matter of a few months. That equals the emissions produced by a car driving 3,224 miles! Can we exceed these numbers in 2021?

Meatless Mondays will be very informal — no membership forms, no dues, no meetings. Just commit to eat no meat one day a week, not necessarily just Mondays. The Library has a great collection of vegetarian cookbooks you can borrow. Sign up on the Library website, and visit www.meatlessmonday.com for more information. One lucky registrant will win a gift card to Samascott's just for joining our virtual challenge!

For Your Information

Your Library: Accessible to All!

We have made major progress on the accessibility front with the opening of our new building, but we're not done yet! Thanks to an extremely generous donation from Philip and Birgitta Sherman, the Library is now even more accessible to those with vision impairment. Not only do we have two new lighted stand magnifiers available to anyone who needs them, we also have a brand new Merlin Elite Pro electronic magnifier! This new piece of equipment not only offers magnification of any print material, it is also capable of text to speech functionality! This means that you can have the machine read to you, and thanks to the headphones, there is no disruption to any other patrons. This device is available any time that the Library is open, and has already been used by patrons of all ages! If that fine print has gotten a little challenging lately, or your favorite book or magazine isn't available in large print, don't hesitate to stop by and make use of our latest acquisition!

E-Magazine Migration!

For those of you who use RBDigital to access our magazines, we've transitioned that content to OverDrive, and drastically increased the size of the collection! All libraries in the Mid-Hudson Library System now offer over 3,200 popular magazines available to download with no wait lists, holds, or checkout limits on the OverDrive website and in the Libby app that patrons have come to know and love. The MHLS OverDrive electronic collection, which includes bestselling eBooks and eAudiobooks will grow to include current and up to three years of back issues of magazines like *Cook's Illustrated*, *The Economist*, *House Beautiful*, and more. Patrons are now able to browse, search, and borrow these and many other magazines in Libby and OverDrive. Why pay expensive subscription fees when you can read the magazines through your Library absolutely free?!

New Artwork in Jackie Carter's Corner!

We're excited to announce that we have a whole new look in our Children's Room at the Library, otherwise known as Jackie Carter's Corner. Thanks to generous donations of time, money, and perspective from Barry Herbold and Chrissy Wills, we're now the proud owners of 10 fantastic new pieces of artwork! The new pieces will comprise a rotating collection adorning the walls of our Children's Room.

Barry is a good friend and neighbor of the Library and made a major commitment to our Capital Campaign in loving memory of his wife, Jackie Carter, who passed away several years ago after a long battle with Non-Hodgkins lymphoma. Jacquelyn L. Carter was a trailblazing publishing executive, children's book editor, and author who dedicated her career to promoting diversity, creativity, and excellence in children's literature. Her publishing career took her from Sesame Street, to Hyperion, Disney, Scholastic Books and other notable publishing houses. All who met her were touched by her humor, humanity, intelligence, and compassion, and of course her love of books and literature. This new artwork chosen in her honor brightens and warms the room for all who enter, just as Jackie did wherever she went. Our many thanks to Barry and Chrissy for their thoughtful donation and continued support of the Library.

Thanks to generous donations of time, money, and perspective from Barry Herbold and Chrissy Wills, we're now the proud owners of 10 fantastic new pieces of artwork!

Friends of the Kinderhook Library Spring is Here..Will Book Sales Be Back?

Book sales have always been an important activity of the Friends of Kinderhook Memorial Library. Not only have they brought in vital revenue necessary for our support of the Library, but they have provided a service to the community with the opportunity to donate books, purchase books at bargain prices, and join friends and neighbors in a hospitable shopping setting. As the pandemic has curtailed all of our in-person events, we have sorely missed our traditional June and September book sales and have been seeking ways to bring them back in some form. With the arrival of spring and good weather, we are exploring the possibility of outdoor sales and are hoping to schedule some outdoor pop-up events in connection with the return of the Saturday Farmer's Market on the Village Green. Our plans are still taking shape, so we ask you to regularly check our Facebook page @kinderhooklibraryfriends and to be on the lookout for local publicity announcing dates and times. We're also considering ways we might safely resume collecting book donations and we'll let you know that as well.

Welcome New Members!

Julie & Theo Fels
Irene Stone

We want to take this opportunity to say a special thank you to three Kinderhook Library Board members who have recently retired from their positions on the Board after many, many years of service. Dot Balko, Bruce Charbonneau, and George Mayer have not only been dedicated Board members but have been loyal and hard-working Friends members as well. Their contributions of time (and brawn) to many of our activities, especially our book sales, have been invaluable, and Dot's delicious refreshments have enhanced so many of our social events. We want them to know how much we appreciate them and treasure their Friendship.

If you are not yet a member of the Friends, please consider joining. You can use the form below and mail it or drop it at the Library, or join online at kinderhooklibrary.org/friends
