FROM THE CAMPAIGN STEERING COMMITTEE

HELP US CROSS THE FINISH LINE!

With construction now well underway after a successful groundbreaking in September, the Campaign

Steering Committee is pleased to report that we have raised approximately \$2.2 million in gifts, grants, and pledges. "Thanks to our generous donors, we are very close to reaching our goal and having the Library emerge from this modernization with an incredible facility and no debt whatsoever," said campaign co-chair Marian Sole. The Steering Committee is seeking to reach its \$2.3 million goal by the end of the year.

Since the beginning of 2017, nearly 100 new individual, business, and foundation commitments have been made ranging in size from \$10 to \$150,000. Our fabulous Friends of the Library made wonderful waves with their \$10,000 gift to the Campaign in honor of National Friends of Libraries Week! We are also fortunate to have received two major grant recommendations – a \$200,000 SAM Grant, with the assistance of State Senator Marchione, and a \$97,394 Public Library Construction Grant through the Mid-Hudson Library System written by Library Director AnnaLee

Giraldo. "With the end of the year upon us, it is a terrific time to give thanks and also to consider a tax-deductible charitable gift to the Library," said Board President Gary Spielmann. "There are still a few naming opportunities available, and we encourage everyone to think about buying a paver and giving that as a holiday gift to a friend or family member." If you would like to discuss a gift (all are tax deductible to the fullest extent allowed by law), please contact the Campaign Office at (518) 758-6192.

According to Campaign Assistant Max Valle, approximately 45 pavers have been claimed by generous donors to date. Available in two sizes, the pavers will be etched with donors' names and will be installed in the outdoor plaza area outside the large community meeting room and Children's Library. Stop by the Library to pick up a form, or print one from our campaign website: <http://kinderhooklibrary.org/capital-campaign/campaign-updates/purchase-a-paver/>

On behalf of the Campaign Steering Committee, please accept our warmest wishes for a wonderful holiday season and joy-filled and healthy 2018 – the year our expansion dreams become reality!

–F. James Tuttle & Marian Sole

Consider Contributing Directly To KML from Your IRA

If you are 70 ½ or older, qualified charitable contributions (QCDs), allow taxpayers to make charitable contributions from their IRAs directly to KML and to exclude that amount from income. Not everyone qualifies, though. It only applies to IRAs, and only for owners or beneficiaries who are 70 ½ years old or older. The QCD is excluded from income and can satisfy the annual required minimum distribution (RMD) from the IRA. Please note that no charitable deduction is permitted for this contribution; otherwise that would double the benefit. Please consult your financial advisor to determine if this option could work for you.

Film Screening: Brought to Light

Saturday, February 24, 4pm

Join Filmmaker and writer Barbara Reina for a screening of the local documentary: *Brought to Light: Unearthing the History of an African-American Cemetery in Kinderhook, NY.* *Brought to Light* is a story of rediscovery, respect, and change. The cleanup efforts by a few villagers of some stone markers in an overgrown field lead to the rediscovery of a forgotten "slaves' cemetery" in which hundreds of African-Americans were buried during the 1800s. A portal to the past lives of Kinderhook's lesser-known non-white population, the documentary explores Black history and the

NEW PROGRAM!

Friends of the Kinderhook Library Growing, Growing, Growing!

The Friends' volunteer spirit is GROWING! Thanks to so many of you who helped to make our September book sale such a success. Over 50 people helped out, sorting and carrying books, baking for our cafe, setting up and breaking down our displays, and so much more. Countless others donated books, purchased them, and contributed generously at our café, resulting in the most profitable September sale in years!

Our CLYNK project is GROWING! Since we began this recycling effort in April as a Hannaford Community Cash partner, we have earned over \$800. As of this writing we've recycled over 18,000 bottles and cans, saving enough energy to light 27 lightbulbs 24 hours a day for a year, and reducing the emissions equivalent of driving a car 5,000 miles. Thanks to all of you who have joined in this effort. Please continue to pick up your green bags at the Library and share your enthusiasm by recruiting your friends and neighbors to do the same.
