Circulation Policy

Registration

All borrowers must be registered and must have a valid local or system patron card to borrow library materials.

Patrons must fill out an application form to register for a new library card. By registering for a library card, the patron is indicating that they will be responsible for all materials signed out on their library card. Patron will be directed to review the library's circulation policy, the patron code of conduct, Library Patron Rights and Responsibilities and the Internet policy on the library website upon receiving their card.

Identification with proof of address is required. A driver's license or student ID is preferred, however, any other official ID or recent non-personal piece of mail may be acceptable. If appropriate identification is not available, a temporary card will be issued that expires in four weeks from date of application. A note will be made on the patron's account that ID is still required to fully activate card.

Applicants under 18 years of age must have a parent or guardian give their consent on the application form before a new card can be issued. By registering the child for a library card, the parent or guardian is indicating that they will be responsible for all materials signed out on the child's library card. Please note that children may access and/or borrow any library resource with their library card and have the ability of requesting materials from other libraries in the Mid-Hudson Library System.

Materials cannot be checked out until a library card is issued.

All library cards expire after 3 years. In order to renew a library card, patrons must produce identification and verify current contact information.

Lost or Forgotten Cards

If a patron loses their library card, they should notify the library as soon as possible and request a replacement. There may be a \$2.00 fee charged for a replacement card.

All patrons, adult and juvenile, are expected to bring their library cards with them if they intend to check out items. An individual who repeatedly ignores this expectation may be denied the privilege of checking out materials until they present their card at the library.

Loan Periods

- A three-week loan period is given for books and audiobooks on CD and eReaders.
- A one-week loan period is given for current issues of periodicals and DVDs.

- Materials borrowed from other MHLS member libraries through the Kinderhook Memorial Library follow the circulation rules of the Kinderhook Memorial Library.
- Materials, with the exception of eReaders, may be renewed if there is not a waiting list for the title.
- Interlibrary loans are due the date indicated by the lending library. Some interlibrary loans may not be renewable.

The director may establish a different loan period for special collections, materials which are temporarily in great demand, such as for student projects, or materials added to the collection which are in a new format.

There is no limit on the number of items a patron can borrow at one time.

Overdue notices and bills relating to lost items will be sent by mail or e-mail in a timely manner.

eReaders

eReaders will be loaned to patrons who are 18 years or older.

An eReader Loan Agreement in the form attached to this policy must be read and signed by each patron who borrows an eReader every time a device is checked out. The eReader loan agreement signed by the patron will be kept on file until the eReader has been returned to the library. Additionally, eReader check out is limited to one per household at a time.

Patrons who have borrowed eReaders are subject to being charged for the eReader's replacement cost if the device is:

- Returned with damage;
- Returned without components or equipment, barring easily replaceable instruction cards;
- Returned with functions that were operable at checkout rendered inoperable;
- Not returned within one week of the end of the loan period;
- Returned in the book drop;
- Returned to another library.

Fines and Charges

In May of 2020, the Kinderhook Memorial Library became fine free. Only museum passes and electronic equipment borrowed will continue to carry fines for late return as they are high demand items. When a patron has \$10 or more in outstanding fines, they may no longer borrow library material until such fines are paid.

Fees will be charged as follows:

Museum Passes	\$5.00 per day/\$25 maximum (The full replacement cost of the pass will be applied after the 7th day of delinquency.)
eReaders	\$5.00 per day/\$25 maximum (The full replacement cost of the eReader and accompanying components and equipment will be applied after the 7th day of delinquency.)

Damaged Materials

If materials are damaged so as to be judged by the library as being unsuitable for the collection, the patron must pay the replacement cost. This rule does not apply to DVDs or CDs that are damaged due to normal wear and tear. A notice of these charges will be sent to the borrower.

Lost Materials

It is the patron's responsibility to request a receipt when paying for a lost item. The library may accept a new replacement copy of a lost item that belonged to the Kinderhook Memorial Library in lieu of payment; however, the library director must be consulted before such arrangement is made. If a lost item is found after having been paid for, the patron may request a refund providing it is within 30 days of the original payment and the patron provides a copy of the payment receipt. If a lost item is found after having provided the library with a replacement copy, the original item may be considered the patron's property and no refund will be provided.
