## WON'T YOU BE OUR NEIGHBOR?

One of the nicest things that you can get from the library isn't a book, DVD, or museum pass; it's the sense of community and neighborliness that is becoming difficult to find in an increasingly-online world. Libraries exist as one of the few "third spaces" in our society. They're a place outside of your home or workplace where you can simply hang out, relax, socialize, and enjoy life with others. We facilitate this by offering a variety of opportunities to meet your neighbors and build relationships with other library lovers. If you're craving more social interaction, why not drop by our book brunch or fiber group? Our weekly story times and bi-monthly playgroups are the perfect place for new parents to meet others, and attending one of our many lectures and presentations is a great way to learn something new—and find others with the same interests!

If you're looking for an opportunity to make a positive impact in our community, consider coming to one of our collaborations with the Neighbors of Northern Columbia County. The NNCC promotes aging in place by connecting volunteers with those in need. We have monthly matinees sponsored by the NNCC, and on October 16th at 10:30a.m. we'll be hosting a representative from MVP who will help answer questions about Medicare!

We also host a wide variety of book clubs and discussions, which provide a fantastic opportunity to make new friends

over a shared love of reading! We have two new book clubs starting up this fall: our Zoom Around the World Book Club is a collaboration with the Columbia County Libraries Association and highlights international authors at monthly Zoom meetings. Our Banned Books book club will provide attendees the chance to learn about some commonly challenged books in a thoughtful discussion group. Check out page 2 for info on all of our book clubs!

Kids and teens also have the opportunity to connect with their peers through a variety of fun, engaging, and educational activities that we offer. We love seeing children grow and form new friendships at our story times, craft programs, and STEM activities, and our Teen Advisory Board continues to grow and create some of the most unique events we could ever imagine!

The Library is a wonderful place to visit when you feel the need to reconnect with your neighbors, your village, and your friends. Our fantastic staff love welcoming new patrons to our building and letting them know about all of the services we offer. Be sure to follow us on social media, sign up for our online newsletter, and join our incredible Friends of the Library group to stay in the loop on upcoming programs. See you around, neighbor!

# Friends of the Library

## LOOKING BACK AND LOOKING AHEAD: BENEFITING OUR LIBRARY, OUR COMMUNITY, & YOU!

The Friends of the Library 2023 – 2024 year ended in September, and we are so proud of the work we accomplished this year.

### Looking Back 2023 – 2024

With the help and support of our Friends members, Library staff, Trustees, patrons, and our community, we were able to:

- Donate \$28,600.00 to the Library - providing program and special event support, helping to enhance our Library collections, and funding subscription services.
- Conduct 8 book donation/drop off events to support our Friends' Bookshelves and our Annual Book Sales - helping to rehome/recycle books in our community.
- Offer a variety of pop-up events throughout the year to showcase our Library's programs and events. These included: Candlelight Night events, the Library Lovers Valentine activities (Bookmark Making event and party), the Art Tour Book Sale, and pop-up booth at the Farmers' Market.
- Expand our outreach to Friends members through a monthly electronic newsletter and improve outreach to our community through an updated website and social media posts.

Additionally, the Council worked diligently to improve and document internal controls, procedures and policies to ensure we are operating efficiently and effectively and in compliance with best practices for not-for-profits and Friends groups.

### Looking Ahead 2024 – 2025

In September, at the Friends General Membership meeting, the 2024 – 2025 Executive Council was elected and the 2024 – 2025 budget passed. Membership elected 6 new Council members and welcomed back 2 members from the 2023 – 2024 Council. The new Council members list and budget can be viewed on the Library website Friends' pages.

The incoming Executive Council has an exciting legacy to continue celebrating the 20th anniversary of the Friends in 2025. Please help the new Council support our Library staff and Trustees in bringing exciting programs and resources to our patrons and community.
